Reg. off.: 11/3, Street no. 02, Block – B, Kamalpur Kamal Vihar, Burari, Delhi- 110084

**Kashvi Enterprises** is started by a team of well experienced professionals, working in the EHV Projects since 2004 and having 19 years of experience in EHV Underground Cable laying projects (Turnkey Projects). KE was incorporated on 2020 with a mission to deliver good quality services to the clients. The Founders of the company has executed many projects from 11KV Distribution Project to 220KV EHV Underground Cable Laying Projects.

- ❖ **Our Mission:** - To be a company committed to “ON TIME & ON BUDGET” delivery, guaranteed performance and offering end to end effective and efficient solution to our client.

To achieve this, we are focused to provide a level of service that will help our client to achieve satisfactory output without any kind of delay. We maintain highest level of quality in our services with the help of our hard-working employees and give them an opportunity to express their input on the ongoing project toward the improvement of company performance.

At KE we: -

- Aim to always deliver best value whilst continuing to develop our people skills by introducing new methods for executing the projects with a point of Safety and skill enhancement of the employees.
  - Make Continuous improvement to our services and peoples.
  - Operate an open and honest relationship with all our clients and this include Joint decision-making process, agreed objectives and anticipated goals.
- ❖ **Our Vision:** - To be recognized as a leading contracting company in India, through our services as per customer Satisfaction.

In Order to achieve this vision, our goals are: -

- To continue to provide and develop strong leadership with integrity.
  - To constantly strive for continuity of works, taking pride in our aim delivering all projects safely on budget and before given period of timeline.
  - To respect the wellbeing of our workers and protect the environment, maintaining our ‘zero harm’ record.
  - To promote continual improvement of our integrated management system, adopting innovations and efficiencies without compromising environmental and safety standards.
  - To recognize and encourage our employees, providing skills development opportunities to help them develop in their careers.
- ❖ **KE Core Principles.**
    - Quality
    - Integrity
    - Teamwork
    - Client Satisfaction
    - Productivity
    - Leadership
    - Effective Communication
